#### **Simplified ordering instructions!!!**

1. Go to [www.nunnbetterdogs.com](http://www.nunnbetterdogs.com) and click “Dog Events” then “UpDog May 2022.” There will be a gallery for each game populated with images of all dogs competing in that game.
2. Click on the gallery of photos for each game desired and review the photos.
3. For ordering, jot down the gallery name you are viewing (i.e. Throw and Go) and the # that appears in the file name across the bottom of each photo. I only need the # at the end of each file name per class – not the entire file name.
  - For example, if the file name is <NBP\_UpDog Throw n Go\_ 1>, I just need the game and # for the order.
4. Move to another folder if needed if you entered multiple games.
5. When done, simply send me an email [nunnbetterdogs@gmail.com](mailto:nunnbetterdogs@gmail.com) with the abbreviated file #s (see Step 3).
6. **That’s all needed to place the order.** I will send a confirmation email within 24 hours that your order has been received. If you have not received an email within 24 hours, please check your spam folder.
7. Once post-processing is complete (should be within 24 hours) you will receive an email invoice from [NunnBetterDogs@gmail.com](mailto:NunnBetterDogs@gmail.com) from PayPal or Square. I also take payment through Zelle.
8. Upon receipt of payment, the digital photo(s) will be cropped and enhanced as needed and emailed to you (either one per email or a zip file) or sent via Dropbox shared folder. The purchased digital prints are suitable for all social media.
9. Receipt of payment will confirm your agreement to the copyright licensing terms and conditions listed on the invoice (personal use only). Please email with any questions or concerns to [nunnbetterdogs@gmail.com](mailto:nunnbetterdogs@gmail.com)
